

Myers Briggs Personality Type

ISTJ's

I am in about 6% of the population

My Personality

They are realistic, dependable and practical people. They like to be organised, structured, like to be systematic, hard working and good with rules and precedents. Pillars of strength at home and like to resolve things logically. They are no nonsense types. Strong sense of doing their duty and care by taking responsibility for things and people. May go to generous lengths to help people

Like to be decisive in practical things, quiet and serious nature, don't like the limelight, like to be thorough, can be patient with work but not necessarily with people. Clothes would be practical and lasting rather than fashionable.

Job Areas

Banking, accounting, uniformed services, administration, law, environmental services,
